Let's Celebrate

Special days we will learn about...

Birthdays

Remembrance Sunday

Bonfire night

Hannukah

Christmas

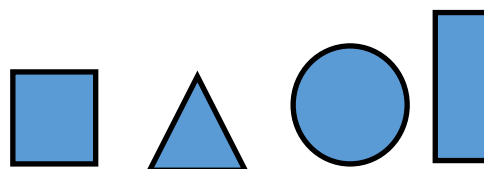

Diwali

(We will learn about other celebrations as they occur throughout the year)

In maths we will be:

Naming and finding 2D shapes in our environment.

Beginning to understand a range of words used to describe quantity or size.

Learning opportunities include...

- Baking birthday cupcakes and talking about the changes we see in the ingredients.
- Learning to use a grater to make potato latkees
- Using our voice to make firework noises.
- Exploring a variety of resources to join materials together.
- Using child safe scissors for different purposes.
