

Governors

On behalf of Broadmeadow Governors, I would like to extend a warm welcome to you. Broadmeadow provides a happy and vibrant environment where children and staff alike thrive. Governors work closely with the Head Teacher and staff to foster a stimulating learning environment that supports children to achieve their full potential.

We support the school as critical friends who challenge the school to set high targets and ensure strategic direction facilitates achievement. As Governors we are responsible for a number of areas, particularly:

- Monitoring and evaluating of school performance
- Shaping the priorities and vision of the school and ensuring effectiveness
- Managing and appraising the Head Teacher
- Effectively managing the budget
- Supporting the school
