Themes for next week's assemblies

Each week we have a special theme for our assemblies and one of our key skills/values will be a focus for the week, with children being rewarded for displaying these. Our skill and theme for the next school week will be: Kindness/mental health

Hi Everyone,

Today we have sent out a copy of our curriculum plans for each year group. We hope that you find them interesting and that they help you to support your child's learning. These plans are also on our school website in the 'children' section.

A new plan for next half term will be sent out in November and this will be followed by new plans every half term.

If you have any questions about these you can ask your child's class teacher at the upcoming Parents Evenings.

Next Wednesday I will be hosting a 'Coffee Morning' in the school hall at 9am. This is an informal meeting that you can come along to and ask any questions you may have. It is also an opportunity for me to tell you about future plans and events. Do not worry if you are unable to attend as I will be having another coffee morning next term.

I am looking forward to our first class assembly of the year on Friday next week. The children in 2A have been working very hard to make sure that they perform at their very best. I look forward to seeing parents, carers and relatives at the event. This will also be our Harvest Festival Day, please give generously.

Kind regards
Paula Rudd
Interim Headteacher

Fundraising Day

What a wonderful day we had fundraising with the Junior School to raise money towards a memory garden and Cerebral Palsy.

Thank you for all your donations for non-uniform day and for purchasing raffle and tombola tickets. The amount raised so far is just over £700. We will update you with a final amount as soon as possible.

- 1GT – 96%
- RG – 95%

All of the class will get extra playtime today.

Reading

Please remember to return your child's reading book each Monday. If you do not return them they may not get another book until it is returned. We may have to charge for lost or damaged books.

Harvest Festival

On Friday 13th October Class 2A will be helping us to celebrate our Harvest Festival with a class performance. We will be collecting food for a local food bank. We are asking for donations of tinned or packet food, preferably with long use by dates. You can drop these into your child's classroom any day next week or bring them to the school office.

Celebration Assemblies will be every week, each Friday at 9am. If your child has been chosen to receive a certificate you will be informed via text or email and you are welcome to attend.
