Happy Friday all,

It was fantastic to see so many parents and carers at the parents' evening this week. The final Parents evening is next Thursday and appointments can be booked through the MCAS app.

We have started to train staff in the use of provision map and will be rolling this out further with the addition of online one page profiles which you will be able to view if your child has one.

Next week some changes will be shared with your child and you regarding how we will be encouraging the school values – Aim High, Community, Respect and Kindness.

Kind Regards  
 Kevin Medway

On Friday 22<sup>nd</sup> March the children will be preparing for the Easter holiday by having an Easter Bonnet parade. It would be wonderful to see the children's creations so, if any children who would like to join in, they can bring a decorated bonnet, hat or egg (hard boiled or pretend please) into school on this day. The parade is only for the children and will be held within the school day. We will get some photos for the newsletter though.

### Class Attendance

### Dates for your diary Academic Year 2023-24

21<sup>st</sup> March – Parents' evening 2 (3:30-5:45)  
 Friday 22<sup>nd</sup> Mar – End of Term EASTER HOLIDAYS

Year 2 have really enjoyed art this week as they have been sketching some of William Morris's Paintings.

#### Parking Notice

We attended a residents' meeting last week. Local residents who have been affected by inconsiderate parking are now uploading images and registration plate numbers to Nextbase website which West Midlands Police then access. They only started on Tuesday and have a number of repeat offenders. We want to share this as, if continued, there is the possibility that some of the surrounding roads where you park could become permit holders only at certain times of the day. Please ensure that you park legally and considerately to help to avoid this. Leave the car and walk if you can, or park further from school and walk the rest.

Our current leaders are 1GT. Which class can be first to get 100% connected to MCAS and our school community?
