Themes for next week's assemblies

Each week we have a special theme for our assemblies and one of our key skills/values will be a focus for the week, with children being rewarded for displaying these.

Our skill and theme for the next school week will be: Respect/World religions

Dear Parents/carers,

I have been very busy travelling between my two schools this week because the Year 6 children were all taking their end of year SAT tests. Next week the children in Year 2 at Broadmeadow will start taking their end of year tests and in June Year 1 will take the phonics screening check. I am sure all the children will try their very best!

The school office is busy at the moment trying to find coaches for the school trips we are arranging, sadly we have left it quite late so lots of places are booked up, but we will get them sorted. We do however have two dates to add to the diary, Sports Day will be on 12th July in the morning. Nursery and Reception will have their events first, this will be followed by Years 1 and 2. You are most welcome to come and watch.

19th July will be our end of year parent consultation meeting. This will be an informal meeting where you can come into school between 3.45pm and 5.30pm to look at your child's books and ask any questions you may have. End of Year reports will come home on 18th July.

We will let you have trip dates as soon as they are booked.

Kind Regards

Paula Rudd

Interim Headteacher

Homework

We have reviewed the homework that is sent home each week and there have been a few changes:

Reading at home as often as possible is an expectation for all year groups.

Nursery and Reception will have a project or activity each week to do at home.

Years 1 and 2 will have an English and Maths activity to complete each week.

These will be sent home on a Friday to be returned by the following Thursday.

We will not be sending home spellings in the same way. Instead, information about spelling patterns and phonics that the children are learning in class will be sent home on this newsletter each week so that you can practice these with your children.

Attendance

Can I remind parents that the Government does not allow schools to authorise time off for holidays in term time. If you do take a holiday in term time, you will be issued with a fine.

Attendance at Broadmeadow is much lower than we would like and we will be having a big push on this over the next few months.

As an incentive, any child that has 100% attendance for the second half of the summer term will get a very special treat!

We will also be rewarding the class that has the highest attendance each week with extra outdoor activity time.
