Themes for next week's assemblies

Each week we have a special theme for our assemblies and one of our key skills/values will be a focus for the week, with children being rewarded for displaying these.

Our skill and theme for the next school week will be: Creativity/tolerance

Dear Parents/carers,

Thank you to the parents who were able to come in to the meeting on Wednesday morning. It was lovely to meet you all and to share some of my plans for the future.

On Thursday your children may have been at home but Broadmeadow staff were in school and very busy. We all took part in safeguarding training, reviewed our behaviour management strategies and routines and started making plans for future events. These will be added to the diary and school website calendar over the coming weeks.

All the staff agreed that it would be a great idea for every class to have a school trip before the end of the year, fantastic! Information will be coming out to you as soon as the teachers have booked the trip and coaches.

We have planned sports day, parents evening, transition days and even Christmas performances we will share these dates with you as soon as we know that they do not clash with the juniors.

It is all very exciting!

I am so looking forward to sharing these events with the children. I am so lucky that I get to do this in two schools!

Kind Regards

Paula Rudd

Interim Headteacher
